

Welcome to the Iron Horse Inn and Conestoga Waiting Room. For over a century this site has been the place to come to in Strasburg for fine food and spirits. Step back, and forward, as you enter – and enjoy your stay with us.

The building dates most likely to the mid to late 1800's and had been known originally as The Hotel Strasburg. Over the years many have come to sit and talk, eat and quaff a cold beverage. Join us for lunch – we'd like nothing more than to hear the chatter again discussing the events and gossip of the day!
